Create

Online education redefined with creative tools. Engaging content for online classrooms.

Interact

Engage students effortlessly. Participation made easy.

Analyze

Track student performance, outcomes, and response patterns.

Transform

Revolutionize online learning with Atomic Assessments.

ATOMIC JOLT

Watch your students succeed

Drive success in engaging virtual classrooms

+ + + + + +	
•	

Meet unique needs of students

Customize material to fulfill diverse needs.

Sync with your favorite LMS

Seamlessly integrate with your LMS for streamlined use.

Assess progress

Measure student advancement effectively.

Explore endless possibilities

Transform the learning experience with formative and summative assessments.

Over 40 question types including:

- Multiple Choice
- Drag and Drop
- Hotspot, Highlight & Drawing
- Essay & Recorded
- Graphing & Charting
- Fill in the Blank
- Cloze
- Math
- Chemistry
- Drop-Down Lists
